# Calm tech help for older adults

Steady Tap is a free site and every-two-weeks newsletter of plain-language, step-by-step guides for adults 65+ and the families who help them. Every guide is checked against official sources and dated.

## Audience

- Adults 65 and older
- Adult children and caregivers
- Librarians and senior-center staff

## Honest numbers

**Launching soon.** No audience numbers yet, and we won't estimate them. After launch we share real subscriber, open, and click counts from our email service every month.

## Placements

- **Newsletter slot:** one labeled sponsor per issue, after the guides.
- **Topic sponsor:** one labeled box at the end of guides in a topic. Never inside the steps.
- **Printable sponsor:** a small credit line on a free printable.

## Launch pricing (draft)

- Founding newsletter sponsor: $0–$50 per issue, 3-issue minimum, until 1,000 subscribers.
- Then about $30 per 1,000 subscribers per issue.
- Topic sponsor: $100–$300 per month at launch.
- Libraries and nonprofits: community notes are free.

## Our values

- Always labeled "Sponsored." Sponsors never choose or edit guides.
- No reader data sold or shared. No ad trackers. No pop-ups or scare tactics.
- Not accepted: crypto or investments, loans, supplements or health cures, fear-based security products.
