Steady Tap

Free Guides to Take Home

Free, plain-language tech and scam-safety guides for older adults and the families who help them.

Each guide uses numbered steps and large print. It is free to copy for workshops, classes, and help desks. Please keep our name on this page.

How to Spot a Scam

Learn the common warning signs in a call, text, or email so you can stop and check.

steadytap.org/guides/spot-a-scam

Virus Warning Pop-ups

A scary pop-up says you have a virus and tells you to call a number. Don't. It's a scam.

steadytap.org/guides/virus-warning-popup

The Gold Bar Scam

Anyone who tells you to buy gold to "protect" your money is a scammer.

steadytap.org/guides/gold-bar-scam

Medicare Scam Calls

What real Medicare will never do, and how to hang up on fake callers.

steadytap.org/guides/medicare-scams

Pay Safely Online

The safest ways to pay when you shop on the web.

steadytap.org/guides/pay-safely-online

Find the Real HealthCare.gov

Type the address yourself. Skip look-alike ads and gift offers.

steadytap.org/guides/find-healthcare-gov

Travel Booking Scams

Fake messages about a hotel or trip you already booked.

steadytap.org/guides/travel-booking-scam

Gift Card Payment Scams

Anyone who tells you to pay with a gift card is a scammer.

steadytap.org/guides/gift-card-scam

Scan with your phone camera

Free weekly email: one easy tech or scam-safety tip each Wednesday.
